

**The Challenge of Finding Tomorrow's Cyber Talent
3rd Annual Cybersecurity Summit
March 15, 2016
Washington, DC**

Benefits of Sponsorship

Your company will be:

1. A national sponsor for the 2016 US Cyber Challenge (USCC) Camps. In 2016, the USCC is planning to hold four camps in the following states: Delaware, Illinois, Virginia and Utah with camp participation to be close to 350 people (<http://www.uscyberchallenge.org> for more information on locations and dates).
2. Helping to train America's future cybersecurity experts.
3. An active participant in the camp activities.
4. Invited to, and have a visible presence at, camp-related special events. Plus, inclusion in all related marketing and public relations materials.

Sponsorship Levels

Sponsorship Level	Cost
Platinum	\$50,000: The company will have 10 tickets to the March 15, 2016 event. Your company will be able to participate in all camp activities. In addition, your company will have access to the CyberCompEx.org employer portal for two weeks and the benefits of Gold package.
Gold	\$20,000: The company will have five tickets to the March 15, 2016 event. Your company will be able to participate in all camp activities. In additional, your company will have access to the CyberCompEx.org employer portal for one week and the benefits of the Silver package.
Silver	\$10,000: The company will have three tickets to the March 15, 2016 event. Your company will be able to participate in the CEO Roundtable discussion with the campers which is held at the two regional camps held in Virginia and Utah along with the benefits of the Bronze package
Bronze	\$5,000: The company will have two tickets to the March 15, 2016 event. Your company will be able to participate in the Job Fair held at the camp and inclusion in all related marketing and public relations materials and camp-related special events.
Copper	\$1,000: The company will have one ticket to the March 15, 2016 event. You will sponsor two students for their tuition and accommodations (including meals) covered for a camp week. Participation in the all related marketing and public relations materials and camp-related special events.

U.S. Cyber Challenge (USCC) is a program of the Council on Cybersecurity, a 501(c)3 organization. For more information on the Council, please visit <http://www.counciloncybersecurity.org>.

AFFIRM is a non-profit, volunteer, educational organization whose overall purpose is to improve the management of information and is 501(c)3 organization.
